

Summer Festival 2021: Feedback.

This Summer we experimented with a roving festival.

The benefits we hoped for would be to relax, re-connect, and celebrate.

Our PCCs need your feedback so that they can think about whether to do this again.

Please return this feedback to Revd Philip or your church-wardens by the end of September.

1. Which events/services did you attend during the summer? (*Circle the ones you attended*)
